## SMOKIN JOE'S TRAILERS

WHY THOSE WHO KNOW BUY FROM SMOKIN JOE'S.

# A LITTLE HISTORY

7 YEARS OF QUALITY TRAILERS

Smokin Joe's Trailers is 7 years old and founded by a man who loved selling food.

The founder, **KYLE YUCHINSKI**, bought a concession truck and within 6 months paid off the note, bought a food park, and began selling food trailers to the public.

## A FEW CLIENTS

## A LARGE GUARANTEE

SJT makes three guarantees that no other competitor makes. The **FIRST** is to support you even after the sale. Our support for you and your business doesn't stop when the last payment is made.

Our **SECOND** promise is to offer you tons of information prior to the sell so that you can make an informed decision, and the **THIRD** is to support you during the sale.

# WE ARE SJT

SJT is the #1 Concession Trailer dealer in Texas and one of the top dealers the U.S. We have a rich background in the concession trailer business and have a full range of trailers for sale. From BBQ to pizza, burgers, or tacos, SJT is committed to delivering what you need, how you need it, when you need it, and at the supreme quality you deserve!

## BUILT TO NATIONAL SAFETY STANDARDS

All SJT trailers are built to national food safety standards and concession trailer code, and go through a rigorous quality control test before delivery. When you buy from SJT, you are literally buying from the best.

## ONLY SELLING PREMIUM QUALITY

SJT only sells premium trailers. This means our units are constructed of the finest quality materials available, are fully insulated throughout, and have treated floors and undercarriages.

## WHAT YOU NEED TO KNOW AND WHAT YOU KNOW YOU NEED.

SJT has an extended history in building and customizing trailers to best suite our partner's needs, but what we specialize in most is telepathy.

Most of our customers never verbalize wanting insulated walls to keep them cool during the dog days of summer and hot in the briskness of winter, but we know that anyone who cooks food prefers to be comfortable in their kitchen.

*"Very well built...Great craftsmanship  
at a great value."*

# IT'S YOUR TURN. DON'T FORGET THE MISSION

**YOUR BUSINESS. YOUR VISION. YOUR INVESTMENT. YOUR FUTURE.**

You deserve to make an above average income. You deserve to be your own boss. You have played it safe and now you're at a point where you can take a risk, where you can bet on yourself, so why not do it? You have worked to make everyone around you rich, why not work to do the same for yourself?
